TECHNOLOGY CLUB

Monday  
MARCH  
18th

# Mastermind MEETUP

Where residents help residents <sup>present</sup> to ask about technology issues on everything from smartphones, computers, tablets, digital photography and, all those intriguing gadgets you've heard about but never fully understood.

It's not a workshop or a class; our goal is to provide a dynamic, engaging community of tech enthusiasts

like you connecting and learning together. Also, it is an opportunity to connect with same-minded neighbors who share your interest.

**When: Monday, MARCH 18th at 2:00 p.m.**

**Where: TECHNOLOGY ROOM #2 at LAKES REC CENTER**

**Duration: about 1 Hr**

To attend this meetup membership is not required.  
Also, membership is free of charge for 2024
